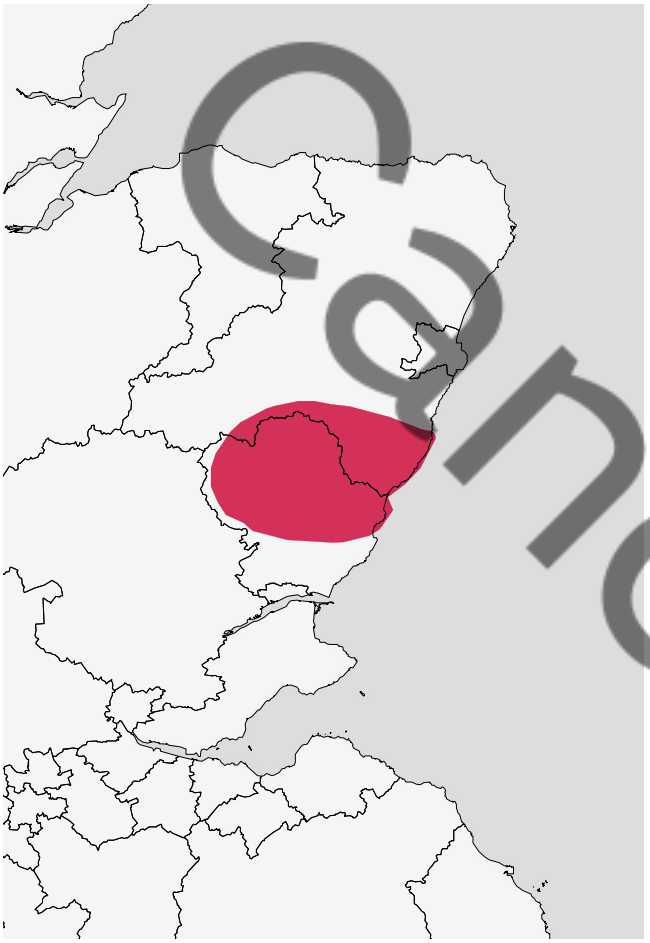
Red warning
Rain

Between
00:00 Sat 21 Oct 2023 and
18:00 Sat 21 Oct 2023



Cancelled

Further very heavy rainfall is expected to lead to further severe flooding and disruption.

What to expect

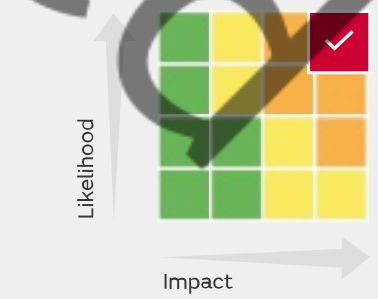
- Danger to life from fast flowing or deep floodwater
- Extensive flooding to homes and businesses
- Collapsed or damaged buildings or structures
- Road closures and bus and train service delays and cancellations
- Dangerous driving conditions because of spray and flooded roads
- Loss of power and other essential services, such as gas, water and mobile phone service
- Communities completely cut off, perhaps for several days

Further details

Prolonged and very heavy rain is expected across parts of Angus and Aberdeenshire area during Saturday, in areas already affected by severe flooding. Accumulations of 70 to 100 mm are expected over a period of 18 hours, the highest accumulations over the hills. Less rainfall is expected around coastal areas, but impacts from the higher rainfall further west will extend towards the coast.

Reason for cancellation

Rain is now easing and will die out completely over the next few hours.



High likelihood of high impacts

Issued at 11:22 Fri 20 Oct, 2023 Cancelled at 16:07 Sat 21 Oct, 2023
